

# Sprinker Recreation Center Outdoor Improvements Project

## Help shape the future of outdoor adventures at Sprinker Recreation Center

### What's going on?

Pierce County Parks is working on designs to improve outdoor features at Sprinker Recreation Center. We need your input to #spruceupsprinker! Help us refine the designs to expand Sprinker's uses and better serve our community.

### Hold on, what's Sprinker?

Sprinker is your regional public recreation center in the Parkland and Spanaway communities. Currently, the Sprinker campus has basketball courts, climbing rocks, athletic fields, a skate park, tennis courts, a playground, Bresemann Forest, and more.

### How can I get involved?

We have two concepts that include a spray park, open central plaza with picnic shelters, more walking paths, and synthetic playfields for year-round play. Share your thoughts in-person or online!

**Come see us:** Stop by our table at these community events:
